NOW OPEN Monday to Thursday

If you need any work done on your car, including servicing, repairs or an MOT please call on 01872 863037 or email : anthony@perranwell.co.uk. **Remember, we can work on all types and age of car, modern and old.**

If you live locally and are at home self isolating then we will endeavor to provide a collection and delivery service which will of course respect social distancing measures. When you book, please let us know if you need this service.

During this challenging time, whilst working on cars we will be taking all the necessary precautions to ensure that our customers and staff are kept safe from infection. This will include working to minimise any person to person contact and when returning cars ensuring all the main touch points are sanitised carefully.

Thank you for your support

**Roskrow Farm,
Penryn,
TR10 9AP**

This month's front cover is another of Steve Hartgroves aerial photos. You will again need to turn the magazine sideways to look at the landscape view to appreciate the detail. This picture taken from a greater height than some of the others shows the station and houses in Tarrant Lane in the bottom right hand corner. The Devoran roundabout is easy to see with Devoran Village beyond and Point and Penpol and the Carrick Roads as you look into the distance. As October arrives a reminder that this summer has been pretty reasonable weather wise. Thank goodness in view of all the difficulty of Covid.

I expect readers have been walking the many beautiful footpaths around the parish during this summer. In the last six weeks Quarter Mile Field has been glorious, with its scattered Sunflowers and other bird friendly plantings. I have enjoyed it greatly. The Sunflowers are now going seedy which will provide an ample food supply for the birds.

Could I urge all eligible readers to make sure they have a flujab this autumn. I would also recommend that if you are not in an eligible age group for a free one on the NHS it is well worth paying for one at a pharmacy. I think they were about £10 last year. Great value if they prevent you getting flu, which will be hard to distinguish from Covid in many cases. Getting a jab, not getting the flu may save you a day having to go to Exeter to see if the symptoms you have are flu, or Covid.

Since the easing of lockdown, the great efforts of the village emergency committee have become memories, if not forgotten as we have all readjusted to a slightly less restricted existence. What a great job you all did Louisa and team. I hope you won't have to be springing back into action in the next few months as winter comes

As I write this it sounds as though we may be entering another Covid lockdown to get in the mood for winter. Very disappointing after the loosening of restrictions in July and August. Testing is in chaos so it is unsurprising many people, particularly us older folk, feel apprehensive about the coming months. I hope all our readers will keep safe.

It is the advertisers who pay for your free copy of the magazine every month so please support them particularly during the crisis. It is very gratifying that **Perran News** is perceived as such an effective local directory for the village. Readers if you use an advertiser in **Perran News** please could you mention you saw the advert in our pages to give them encouragement to continue supporting your free village newspaper.

Yselkla Hall is advertising coordinator, as well as treasurer. Please direct advertising stuff to her email: perrannewsads@gmail.com Tel: 07933571681.

Perran News is provided free to readers thanks to the generous support of our advertisers and involves a large number of willing unpaid volunteers to distribute it. As mentioned before if you would like to be part of **Perran News** new help is always welcome.

If you have an event you want to advertise which is scheduled for the first ten days of the month can I suggest you plan ahead and publicise it in the preceding month's issue so people will have reasonable notice and there is no likelihood of the event taking place before some readers receive their magazine. **THE COPY DATE FOR MATERIAL INCLUDING ADVERTS IS 12TH OF THE MONTH PRECEDING PUBLICATION PLEASE.**

Thank you to all contributors to **Perran News**. It is an enormous help if you type an item for the magazine on a computer word processor. You can send it in electronic form as a .txt or .doc file, on a disk or ideally as an email attachment. If you have an Apple computer, please could you send files as .doc or rtf as Pages files are incompatible with my windows computer. Please could you also give your pictures a brief descriptive title so that I don't have half a dozen perrannewsnov.doc files to sort out. Thanks.

If you send articles electronically could you not include fancy fonts or complicated formatting, the simpler the better, thanks.

Send articles to me at markgripper@gmail.com If you handwrite articles please make them as clear and legible as possible particularly unusual words or we may make mistakes. Leave hand-written material in the red box at the village shop.

Mark Gripper

PARISH COUNCIL REPORT

The Parish Council has still been unable to physically meet because of the Covid19 pandemic. Virtual meetings have been held for both the main council meeting and also, planning. There is no indication at present when normal meetings might resume.

There is a vacancy on the Parish Council, which can now be filled by co-option. If you are interested in becoming a Councillor, please contact the Clerk for further details or have a look at the Council website which has more information.

A bid for grant funding has been submitted to our local Community Network, this is to provide some traffic calming and road safety improvement for pedestrians down in the area of the bridge and shop. The Speedwatch team have been supplying valuable data to Cornwall Council concerning volume and speed of traffic.

If there are any issues within the Parish that you would like the Parish Council to look at, please contact the Clerk. You are very welcome to attend meetings, whether it is the main Council meeting or a planning meeting. The meetings will be advertised on the Council's website, and if you would like to attend, please contact the Clerk for the log in details.

PERRANWELL STATION - WEATHER REPORT FOR JULY 2020

Average daily maximum temperature:	19.8C
Maximum temperature for the month:	22.5C on 22nd and 31st
Average daily minimum temperature:	13.3C
Minimum temperature for the month:	8.5C on 7th and 13th
Rainfall:	1.29 inches
Sunshine:	216 hours
Wind:	Westerly quarter, light

A Dry Month

July was on the dry side, 1.29 inches being less than half the usual rainfall for the month. Temperatures were near the long-term average (albeit the coolest July since 2015), while sunshine hours were a little higher than normal, a relief after a dull June. Although hardly a heatwave, the period from the 17th until the 22nd was warm and sunny, and subsequently temperatures remained mainly above average for the rest of the month. The temperature reached at least 20C on 16 days during the month.

WEATHER REPORT FOR AUGUST 2020

Average daily maximum temperature:	20.0C
Maximum temperature for the month:	24C on 12th
Average daily minimum temperature:	14.8C
Minimum temperature for the month:	6.8C on the 31st
Rainfall:	5.31 inches
Sunshine:	169 hours
Wind:	North West quarter

Almost a month of two halves

The first half of the month was quite dry, with the second week being especially warm, although nowhere near the baking heat in other parts of the country. From the 17th onwards, the winds switched around to a westerly quarter, bringing depressions in from the Atlantic, and a wet and at times windy second half to the month. Monthly rainfall of 5.31 inches was well above the August average of 3.25 inches.

Average daily maximum temperatures were near normal for August, however night-time temperatures were a degree or so above average. Despite the wet second half to the month, temperatures held up well, apart from a few cool days in the last week.

Sunshine hours were below normal, so after the two very sunny months of April and May, we have had two dull months in June and August.

Mike Hands

BROADBAND UPGRADE

Register to upgrade your broadband today

As a rural resident or business, you could be entitled to a broadband upgrade paid for by the government.

Who's eligible?

Rural residents and businesses (SMEs) with broadband speeds of less than 100Mbps could be eligible for the Broadband Upgrade Fund.

Who's in the pilot?

The Broadband Upgrade Fund is a pilot campaign available to rural premises in Cornwall, Carmarthenshire, Ceredigion, Pembrokeshire, Cumbria and Northumberland.

What is the fund?

The funding is available as small grants known as vouchers worth up to £3,500 for each small and medium-sized business (SMEs), and up to £1,500 per residential property.

Who gets the funding?

Once you have created enough interest in your area or community, the fund that you generate goes direct to your chosen supplier to offset the cost of delivering the improved service.

To register, go to:

<https://broadband-upgrade-fund.campaign.gov.uk/>

Thanks to both Chris Anderson and Julia Roberts for sending this in.

A READER WRITES

Good afternoon

On behalf of the children of Perranwell (in particular my two sons and their football mad friends) I would like to say a huge thank you to everyone involved in the procurement of the new football posts. There were many sad faces when the old posts were removed and they were told they couldn't use the new posts. And then much relief when the new posts arrived and once again they could spend hours at the community park, playing with their friends. So a big thank you to all involved. From the Matthews family

A READER WRITES

Ryan Saltern's family (our village postman who was killed last year in a hit and run) have asked me if you can put a message in the Perran News online and in the printed edition asking villagers to support their petition to increase the sentencing for hit and run, which currently stands at a maximum of 6 months, Ryan's killer received four months suspended for 1 year.

Ryan was a much-loved postman, and it would be nice if the village could help with some signatures.

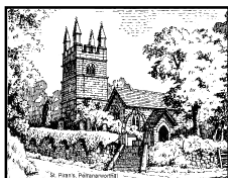

Luke (on behalf of the Saltern family)

This can be done by going to the GOV UK petitions web page **TOUGHER SENTENCES FOR HIT AND RUN DRIVERS**

<https://petition.parliament.uk/petitions/323926>

Ryan was a popular postman in the village a few years ago.

KING GEORGE V MEMORIAL PLAYING FIELD (Charity Number 205571)

Few resources hold the potential to impact so positively on a wide range of social issues as parks and green spaces. By protecting these spaces in perpetuity, Fields in Trust works to ensure that our children and grandchildren will have places to run, move, breathe and play

HRH THE DUKE OF CAMBRIDGE KG KT
President of Fields in Trust

When the Charity Commission set up its Register of Charities in the 1960s our King George V playing field was one of first of the several hundred memorial playing fields to register as a charity. This in perpetuity charitable declaration was again reaffirmed by the Trustees in 2007 when the governing Foundation for all King George V playing fields became Fields in Trust.

Charities are run by Trustees. Our Parish Council for ease of administration and continuity are the Trustees of our playing field. As Parish Councillors their duty and priority is to the Parish and its Parishioners. However, as Trustees of the playing field their role could not be more different. Their **sole** duty and priority (*'putting their personal beliefs or preferences aside'*) is to the playing field, to preserve its assets i.e. the playing field, entrance and 20 parking spaces. Any changes or improvements can only be made to benefit the playing field and have to be approved by the stringent rules of Fields in Trust.

How lucky we have been in these unprecedented times to have this protected open green space in our village, giving children space and safety to play, young families to spend time together and adults to exercise. During this time there has been increasing interest in the use of the playing field from sports clubs, adult exercise classes to Nordic Walking.

Charities have an obligation to manage their resources responsibly, so in view of this anyone using the playing field on an ad hoc basis for their own profitable gain will be asked for a donation. However, groups/organisations/clubs wishing to reserve a specific space for their activity on a regular basis will require a yearly license. There will be a cost for this, costings will be dependent on the frequency and length of time of use. Please contact the Parish Clerk for more information as soon as possible to avoid disappointment.

Our group was set up by the Trustees in 2015 to assist them in the running of the playing field and to apply for funding for new play equipment. Having successfully achieved substantial funding for completion of Phase 1 - the young children's play area, we are excited to be seeking further funding to complete Phase 2 – play equipment for older children. Phase 3 will follow with exercise equipment for adults.

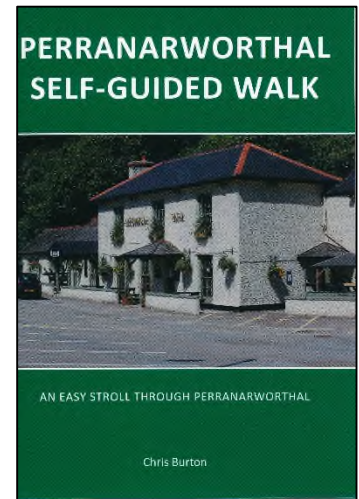

We understand that on occasions car parking in the vicinity of the playing field can be an issue and it has been questioned whether more parking could be made available by using playing field land. This is not an option. The playing field has 20 parking spaces which are more than adequate for its own use and all are welcome to use them. Being charitable land it is not within the Trustees gift to give away any part of the playing field to other groups/clubs/organisations simply for their benefit to ease their own parking issues. That would be akin to your next-door neighbour demanding you give them your garden to park their car!

Fund Raising Friends KGV Playing Field

Chris Burton has produced this excellent little book whose title is self-explanatory. Chris is a well-known local historian who has a particular interest in the industrial heritage of the local area. Chris has produced similar booklets before.

The booklet is funded by the Perranarworthal Local History Group and will shortly be on sale in the village shop and the Norway Inn for £3.00.

Chris can be contacted on burtonperranwell@talktalk.net

Mary Reynolds sent this picture of the VJ Day flags at the war memorial in the summer.

THE TAPESTRY OF LIFE.

My life is but a weaving between my God and me.

I do not choose the colour which He works on steadily.

Oft times He weaveth sorrow, and I in foolish pride, Forgets He sees the upper work, while I the underside.

Not till the loom is silent and the shuttles cease to fly...

Will God unroll the canvas and explain the reason why..

The dark threads are as needful in the skilful Weaver's hand As the threads of gold and silver in the pattern He has planned.

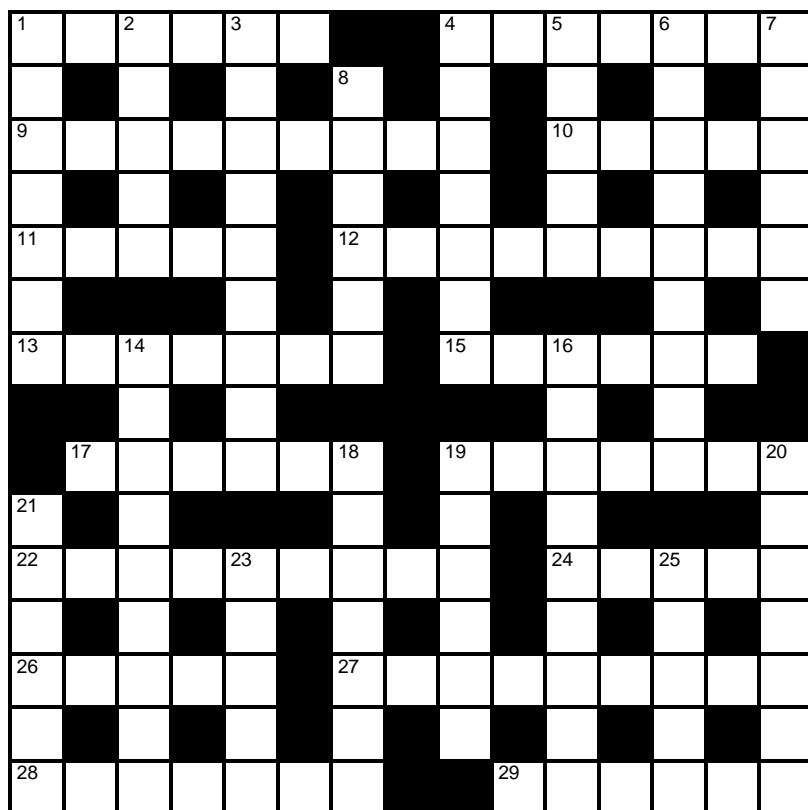

Attr Corrie Ten Boom.

PERRAN-AR-WORTHAL PRE-SCHOOL

'There's a lovely feel to the place, the children have lots of opportunities to learn and try new things, they can also make close friendships.'

An Ofsted rated 'Good' pre-school where children have fun, learn through play and discovery

Conveniently located between Truro and Falmouth, a small setting providing a supportive and caring environment

Affordable prices and Government-funded places for 2, 3, 4 year olds

Qualified staff who understand how to develop children's well-being, learning and social skills

Enrichment programme, including yoga, forest school and group outings

'I couldn't be happier with the care and support given to my children over the years that they attended pre-school – the staff are really experienced and it shows.'

Find us next to the Village Hall. School Hill, Perranwell Station. TR3 7LA

Please get in touch to discuss your child's place.

THE PERRANWELL CENTRE: ANNUAL REPORT FOR 2019

2019! It seems like a different era. Recently, the trustees approved the annual report for last year, a normal, straightforward year that seems so distant now.

Previous annual reports had chronicled essential changes made to the charity in recent years in order to improve its governance and financial management, and thereby equip it to tackle important new issues. By the end of 2018, the trustees felt that they were in a good position to do this, in particular, to tackle the choice to be made between refurbishing the current premises, which were approaching their fiftieth anniversary, or completely redeveloping the site.

With such a broad agenda facing the trustees, it was clear that we needed to streamline and simplify our procedures in order to enable us to focus on key priorities. In September, we appointed a paid secretary who, along with our bookkeeper, meant that we had professional staff to help run the charity and improve efficiency, and we created a new website.

We aimed to reach a decision by the end of 2019 on whether to plan a major refurbishment of the hall or a complete redevelopment of the site. The trustees had commissioned a thorough survey of the building in the autumn of 2018 to assess the future life span of the current building. The main issues were high energy costs, mainly due to the almost complete lack of thermal insulation, the poor quality of lighting in the hall, the outmoded heating system, the poor condition of the floors, especially the floor in the main hall, the hopeless acoustic insulation between rooms, the failing external integrity of the building and the lack of separate meters for leased areas.

It was understood that reaching a decision would require considerable research and consultation with all the users of the hall and the wider community. A survey was conducted of users' views of the condition of the hall and possible improvements that they would like to see.

By the end of the year, the trustees had decided that redevelopment of the whole site, rather than refurbishment of the current premises, was the preferred option. A draft strategic brief for a new building was prepared and a company of consulting engineers and architects was engaged to help design the new building and make grant applications.

The trustees accepted that income had to be increased by more than the rate of inflation in order to generate a greater surplus to support whatever changes were planned. Increases to hire charges for 2020 were announced early in 2019, as is the usual practice, but this resulted in a number of protests from hirers. As a result, the proposed increases were slightly reduced, but still remained significantly higher than previously. One lesson for the trustees was that a gradual increase in charges each year was preferable to catching up after a standstill, however well-intentioned that might have been.

All this work was addressed while, of course, ensuring that the hall functioned smoothly.

Once again, thanks are expressed to our excellent trustees, all of whom are highly committed and contribute a great deal of time and energy to the successful running of the hall, even if that entails climbing rickety ladders or personally dealing with blocked drains. We said 'Goodbye' to one trustee, but welcomed three others, who brought new energy and ideas and quickly made an impact.

The Christmas Concert is the only event directly organised by the trustees. £250 was raised from entry fees, donations and a raffle, which was donated to the Perranarworthal Pre-school. Local businesses, such as Perranwell Stores, Royal Oak, Morgan Garage and Norway Inn, had generously donated raffle prizes, for which we thank them.

In terms of the charity's activities, it was recorded that usage continues at a high level. 1,613 bookings were taken during the year, which was the highest level recorded so far. Over time, the hall has seen a gradual increase

in bookings. Between 2010 and 2019, the total number of bookings increased by 29%. 44% of bookings in 2019 were for the main hall, 23% for the south room and 33% for the west room. A total of 5660.5 hours were booked which, spread over the entire year, was an average of 15.5 hours per day. A typical day would see the main hall booked twice and each of the two meeting rooms booked once.

The trustees are pleased to report that in pursuit of the charity's objectives the hall was used by a wide range of organizations, groups and private individuals. 85 different hirers booked the hall in 2019, much the same number as the previous year. As might be expected, 80% of bookings were made by 27 of our regular hirers. At the other end of the scale, 20 hirers booked the hall on only one occasion. Our single biggest user was the Carnon Downs Drama Group, who made 114 bookings, which accounted for 7% of total bookings. Other major users were the Wellness Cafe, who book two rooms for each of their sessions, and the various groups of U3A, who made a grand total of 264 bookings.

A diverse range of community groups used the venue, including bridge clubs, church groups, dog training classes, Big Village events, etc. Craft groups include embroiderers, lace makers and quilters. Exercise groups included badminton as well as other sports, for example, carpet bowls and martial arts groups, as well as keep fit classes. Demographic data is not routinely collected about the users of the facilities. It is true that the hall is used predominantly by a large number of older people, for example, in dance groups, the Memory Café and Coffee Stop. This is largely because older people are mostly retired and able to use the hall throughout the day. However, the hall is also used by many people in younger age groups, the youngest of whom are members of the Toddlers Group and Pre-school, followed by children from Perran-ar-worthal Primary School. The drama group has a large membership of young persons, and the football clubhouse stands on ground leased from the Perranwell Centre. Therefore, it can be reasonably claimed that the charity serves all ages in the community.

The full report, including details of all the trustees, the financial statement and independent examiner's report, is available on our website: www.perranwellcentre.org

We look back fondly on 2019. The report for 2020 will be markedly different.

CB

RE-OPENING THE VILLAGE HALL

The primary purpose of this report is to explain the arrangements that will apply during the autumn.

The trustees decided at an early stage to offer the school the use of the hall as a matter of priority in order to enable as many children as possible to return to education, an offer that was gratefully accepted by the headteacher.

This meant that, if the hall were to re-open, only the main hall would be available and then only during weekday evenings and at the weekend. The west room would be used by the school to store their equipment, the south room would be reserved as an isolation facility and the kitchen and stage would be kept out of use in order to reduce the risk of infection and simplify cleaning arrangements.

The trustees then sought the views of our regular hirers via an online survey on a possible resumption of bookings. 27 of our regular hirers responded – an excellent response, thank you – and several made a point of agreeing with the decision to give priority to the school.

18 respondents (67%) indicated that they would either not be resuming before January 2021 or did not yet know when they would resume activities.

The other 9 groups thought that they might wish to resume during the autumn.

Of those nine, three normally used bookings during weekdays and either did not wish to book an alternative time or did not know if their members would wish to; one other booking was for a one-off event in December, which would be considered closer to the event, and one other response was from a group that wished to become a regular hirer when it became possible.

That left three groups that normally meet weekly who wished to resume and could do so when the hall was available, and one other group that met monthly.

The three weekly groups were:

Perranwell over-50s badminton club on Tuesday evenings,

Kawagishi Dojo on Sunday mornings,

Carnon Downs Drama Group on Sunday afternoons.

These three groups will be invited to resume.

The Local History Group, which meets monthly, also wished to resume meeting. It normally meets on a Tuesday evening but, because that will clash with the badminton club, will be invited to meet on a weekday evening other than a Tuesday.

Re-opening in this limited way will allow the trustees to implement new Covid-19 precautions and test their effectiveness before more hirers return. This is important because of the extra work required of trustees, who must follow detailed guidance and regulations published by the government.

In order to re-open, trustees have had to follow a comprehensive checklist and prepare a detailed risk assessment, approve a set of special hire conditions (which, incidentally, hirers will have to accept before resuming activities), prepare a comprehensive range of signage to explain the rules and guide users of the hall, implement special measures inside and outside the hall to ensure social distancing, provide extra cleaning supplies and materials for hall users, and make arrangements for additional cleaning using a commercial contractor. The risk of infection may be relatively low in our part of the country, but we need to do everything possible to keep it that way.

We are sorry if the groups who wished to return, but are not being permitted, are disappointed, but we hope everybody will appreciate the care that needs to be taken to ensure that coronavirus is eventually eliminated.

Although the hall has been closed since March, our finances are in a relatively healthy position, thanks primarily to an emergency government grant of £10,000. Some costs, such as energy, have declined because the hall has not been in use; other costs, of course, have continued to be paid, but overall the trustees are confident that we will finish the financial year on 31 December in a satisfactory position.

The trustees will review the situation again at the end of October in order to make decisions about possibly extending re-opening from January onwards, and a further bulletin will be issued around that time.

Even though the hall has been closed for most of the year, work has been proceeding on plans to redevelop the building. A detailed 'concept design' has been prepared, full of exciting ideas and proposals. We will be consulting all our stakeholders, of whom regular hirers are a key constituent, in due course. Look out for further details.

CB

August 2020

HIGHWAY CODE REVIEW

The Government has conducted a review of the Highway Code.

The proposed changes are intended to improve the safety of horse riders, pedestrians and cyclists. In particular clarifying pedestrian and cyclist priority, and establishing safer overtaking.

You can find it here <https://tinyurl.com/y2z5fvre> where you can respond to the consultation.

The consultation runs until October.

Mike Cowley

Interesting how government consultation on important issues always seems to start in August with a deadline of September or October. Why is that I wonder? MBG

PERRAN CARPET BOWLS 2019/20

Our end of season meal was held at Killiow Golf Club. Mr. Michael Penna was presented with highest individual accumulated score for the year. The Gordon Tattershall Shield was won by Laurraine Crumpler and Reg Sanders. Yvonne Datson stood up to say a final farewell to us all as she was moving out of the County. We will miss her smiley face, she was a very valid member of the club for a number of years.

The teams this year did well in their respective divisions of the Redruth/Camborne league.

The Hawks came 3rd in division 2, missing promotion back up to the 1st division by 3 shots.

The Choughs finished mid table in the 3rd division.

Once again, we participated in the Big Village Week and rolled out the mats on the 28th August for anyone wishing to "have a go". The members had a good roll up but sadly, no-one else came through the doors. We would like to thank the Big Village week organisers for their efforts.

Corona virus cut our season short and we rolled up the mats for the last time on the 12th March 2020. The AGM will take place hopefully on our return for the new season in September.

I would like to say a big THANKYOU to Rachael Kemp for organising the teas each week and to the helpers for clearing up after. To Liz Harper for organising "us" each week!! And to Liz and Lindsey Adams and those who arrive early to set the room up.

Our numbers have dwindled somewhat in the past year or so and it would be nice to see some new faces. It really is a fun game, a good stepping-stone to outdoor bowls or just to come and have an enjoyable evening.

All that you need is a pair of comfortable shoes. Everything else is provided. We always welcome new players and will help in any way to guide them through the game. The first 3 weeks are free to newcomers. To test the water, so to speak. There after £2 a week which includes refreshments. Yearly subscription is £6 at the moment. To be reviewed. We play on Thursday evenings, 6.45pm - 9.30pm/10pm September to the end of March and it is surprising how quickly the winter goes.

Unfortunately, this year we have made the decision NOT to return this September due to Corona Virus but will reassess the situation in the New Year.

Ever optimistic!

Jane Blackburn

Secretary.

PLAYGROUP AGM

Perranarworthal Pre-school AGM Monday 5th October 8pm to be held in the pre-school building All welcome

We are looking for new committee members to join us for the 2020/2021 year, in particular a Treasurer. The time commitment is low and the tasks straightforward but the feel-good factor is high!

If you're interested in supporting the pre-school by joining the committee, please contact perranarworthal@yahoo.co.uk or come along to the AGM.

PERRANARWORTHAL NEIGHBOURHOOD PLAN UPDATE

Not surprisingly the steering group meetings for the NP had to pause over the lockdown and shielding period. The good news is that we have restarted meetings, which is working well for now and whilst the weather holds, and with the light evenings we're able to safely hold them in the playing field.

Over the summer, we've regrouped and assessed how far we've come and the tremendous amount of work still to do. Most of the policies have now been written and Yselkla Hall is doing sterling work with formatting our document. We've just engaged a consultant to help with some of the more technical details and identify any gaps (paid for by a Locality grant, so not out of Parish funding), and are thrilled to report that Ruth Ward has volunteered to produce a land classification for us. This looks at all aspects of our environment, both built and natural to support the plan. It's a lot of work and are very grateful to Ruth for taking it on. I'm sure she'd be very grateful for any assistance, so if you think you'd like to help her (and us) please contact us on the details below.

We're currently compiling the Future Community Projects section, which is where we list what you said you'd like to see/want in our parish. Watch this space.

Sadly, it looks likely that along with a handful of other parishes, we will have to do our community consultation on the draft plan on line, as it looks very unlikely that we will be able to have a community drop in event.

Helen Pettett Chair of Perranarworthal NP

CHURCH LETTER

Plans are progressing for the regrouping of the churches in our area, so I wanted to give you an update, particularly if you are reading this as someone who may not be closely involved in the churches. The beauty and uniqueness of the Church of England is that our churches belong to everyone, not simply those who attend.

The churches in the south and east of our area, namely Feock, Devoran and Perranarworthal, are becoming one group called The Riverside

Churches, and they will be served by a yet-to-be-appointed parish priest living in Carnon Downs.

The other churches at Chacewater, St Day, Carharrack, Gwennap and Stithians will form the other group – the name for this group is not yet decided – and they will be served by a parish priest living at St Day, also yet to be appointed. If you have a good idea about what to call this group please get in touch!

One of the big changes we are preparing for is a move away from a reliance on retired clergy to help us run Sunday services. The pandemic has meant that a number of these faithful priests have decided it's no longer realistic to carry on serving the churches as they did before. This has given us a rather wonderful opportunity to arrange for many more services to be led by lay-leaders in our churches. We are already blessed with a good number of volunteer, trained local worship leaders and licensed local ministers (also known as Readers), but it's fair to say that in recent years some of these leaders have felt under-used, or even overlooked. That is about to be put right. We'll also be on the look-out for new people to be trained for these roles from within our churches.

Elsewhere in Truro Diocese some of these lay-led services end up being the most popular services in their churches, because those who take them have longer between services to plan them, and don't have to rush in and out of churches on a Sunday like clergy often do. So we pray God will bless this new opportunity to bring new insights and encouragement and growth to our churches, as well as new impetus for our churches to serve the communities they're in.

With my prayers and best wishes
Revd Caspar Bush (rural dean)

NEWS FROM THE TOLL HOUSE POTTERY PERRANWELL STATION

"And the potter said unto the clay, 'BE WARE' and it was"

George E Ohr

WARE is our theme this month: kitchenware and tableware. We are fulfilling orders for pestles and mortars, lemon squeezers, bowls, spoons and salt pigs. As stocks build up, we are already preparing for Christmas.

Individual studio pieces have sold well in galleries this summer and there has been a little flurry of sales from our Pot Shop. It has been fun, hearing visitors' remarks and seeing which colours and shapes please the public.

Budleigh and Oakley have been very enthusiastic Pottery Dogs, meeting and greeting passers-by. As the days grow shorter their blankets will be moved from the space outside the pottery door to the warm interior. Kiln firing makes the place cosy, even on the dampest autumn days.

HUGH WEST, KAREN CARLYON,

Toll House Pottery, Tarrandean Lane, opposite Perranwell Station

*Supporting your
lifestyle*
Live-in Companionship Care

Respite or long term support.....

..... Living independently is your choice

Would you like a helping hand, company for activities and excursions, to give your family peace of mind or time for a break? Live-in companionship is just for you and a lifestyle choice for many

No upheaval, no stress and no trouble. Tailor made to suit you and a realistic alternative to residential care, enabling you to stay in your own home

Please call or email a member of our team to discuss your requirements and options

01872 276006

email: midcornwall@bluebirdcare.co.uk

Are you naturally caring and would like a varied and interesting role in care? We have just the job for you!
